Subject: Chem Dry

Wayne,

I understand you are filling in for Dave (b) (6), (b) (7)(C). So.....

(b) (6), (b) (7)(C) came in today and said that a guy who lives at 1566 Pennsylvania works for Chem Dry, and they have observed him pouring liquid from his truck onto the street. Don't know what "chems" are used by Chem Dry, but it seems like they shouldn't be pouring stuff into a storm drain that's half a block from the Port Washington Narrows. (b) (6), (b) (7)(C) they called Chem Dry corporate and were told that they "let their employees dump stuff into some storm drains because not all of them lead to the ocean". Brilliant.

I leave this issue in your capable hands.
